To Whom It May Concern,

Re: Recommendation for Gasana Ineza Shukuru Gabriel for Trainer Position at Isomo bootcamp 2026

I am pleased to recommend Gasana Ineza Shukuru Gabriel for the Digital Art Internship focusing on photography and videography at Isomo bootcamp 2026.

I have had the opportunity to work with Gabriel at Agahozo-Shalom Youth Village, particularly through his active involvement in the ASYV Media center. As a dedicated student, Gabriel has demonstrated strong commitment, creativity, reliability, and a growing technical ability in photography and videography.

As a member of the ASYV Media club, Gabriel has contributed to documenting important community activities and events. He has consistently shown a willingness to volunteer, learn, and take responsibility whenever media support was needed. His role in covering village events has helped capture meaningful moments and preserve the stories of our community through photos and videos.

One of his notable contributions was during the Ubumuntu Arts Festival, where he took an active role in capturing quality photographs and documenting the spirit of the performances. His work reflected not only technical effort but also a creative eye and sensitivity to the meaning behind the event.

Gabriel is also a collaborative and dependable young person. He works well with others, listens to guidance, and shows enthusiasm for improving his skills. His dedication to media work, combined with his positive attitude, makes him a strong candidate for an internship that requires creativity, discipline, and teamwork.

I believe the Digital Art Internship at Isomo would provide Gabriel with an excellent opportunity to further develop his talents in photography and videography. I am confident that he will contribute positively to your team and make good use of the learning experience.

I therefore highly recommend Gasana Ineza Shukuru Gabriel for this internship opportunity. Please feel free to contact me at assoumani@asyv.org or call +250788615257 should you require any further information or a more detailed discussion about Gabriel's qualifications.

Thank you for considering this recommendation.

Sincerely,
Assoumani Ntakirutimana
